

Account Manager – Account Director (Corporate Comms) WA Communications

Job Description

WA Communications is looking for an ambitious corporate communications consultant with strong media experience and a proven interest in one or more of our key sectors to join our award-winning and growing company.

WA is a strategic communications consultancy helping organisations achieve policy and reputational outcomes. We're integrated in approach, bringing together public affairs, corporate communications, digital, research and creative services. We're specialists in sectors where government action, media interest and public impact are often interlinked, including energy, education, financial services, healthcare and transport.

Our team is one of the UK's leaders in strategic communications. Our clients, including global giants and blue-chip brands, come to us for help navigating complex communications challenges of multi-stakeholder environments. Now we're expanding further to support our clients.

We're motivated towards our core purpose of great people, doing great work, in a great company. We're a people-first business meaning clients get support from the best people, who are motivated to succeed. We bring about change for clients and communicate their impact in society.

Everyone at WA gets opportunities to do impactful work that achieves results for clients as well as socially and economically valuable outcomes, tackling business challenges through strategic communications. We have a dynamic, collaborative and supportive management ethos that inspires people to be at their best. We're fun and sociable too.

This position is a fantastic opportunity for an established corporate communications consultant or in-house professional eager to take the next step in their career. You'll get involved across our client base, in particular in aviation, rail, road, decarbonisation and energy futures, and quickly build experience in business development. You'll play your part solving client problems, shaping creative campaigns and running client programmes. There'll be excellent professional development to help you extend your skills and move forward in your career.

WA is based in Victoria, central London. Our success is underpinned by our independence and partnership model – giving us the flexibility to advise, invest and innovate around what our clients and people need.
