

Account Executive WA Communications

Job Description

WA Communications is looking for an Account Executive to join our award-winning and growing strategic communications practice. This is a fantastic opportunity for an aspiring consultant who is keen to learn, make a difference and get ahead in their agency career.

WA is a strategic communications consultancy helping organisations achieve policy and reputational outcomes. We're integrated in approach, bringing together public affairs, corporate communications, digital, research and creative services. We're specialists in sectors where government action, media interest and public impact are often interlinked, including energy, education, financial services, healthcare and transport.

This is an ideal position for an ambitious new consultant. You'll get involved across our client base, broaden your core public affairs, policy and communications skills, and gain experience in business development. You'll play your part in solving client problems, delivering creative communications campaigns on a range of interesting and purposeful issues, and producing research and insights to shape client programmes. There'll be excellent professional development support to help you develop and grow the core skills to move forward in your career.

Our strategic communications practice is one of the UK's leaders in integrated public affairs and corporate communications. Our clients, whether global giants, leading charities or blue-chip brands, come to us for help navigating complex communications challenges of multi-stakeholder environments.

We're motivated towards our core purpose of great people, doing great work, in a great company. We're a people-first business meaning clients get support from the best people, who are motivated to succeed. We bring about change for clients and communicate their impact in society.

Everyone at WA gets opportunities to do impactful work that achieves results for clients and socially valuable outcomes, tackling business challenges through strategic communications. We have a dynamic, collaborative and supportive management ethos that inspires people to be at their best. We're fun and sociable too.

WA is based in Victoria, central London. Our success is underpinned by our independence and partnership model – giving us the flexibility to advise, invest and innovate around what our clients and people need.
